Notes on Contributors

Alan Balfour is dean of the School of Architecture at Rice University and author of *Berlin: The Politics of Order* (Rizzoli, 1990).

Joel Barna is editor of *Texas Architect*.

Geoffrey Brune is a practicing architect and assistant professor of architecture at the University of Houston.

John Kaliski is principal architect for the Community Redevelopment Agency of the city of Los Angeles, teaches urban theory at the Southern California Institute of Architecture, and is a former editor of *Cite*.

William Howze makes movies for museums. He moved to Houston last year from Fort Worth, where he was director of special programs at the Amon Carter Museum for 12 years.

Barbara Koerble, an art historian who lives in Fort Worth, has written on architectural subjects for *Architecture*, *A+U*, and *Texas Architect*, the latter as a contributing editor, and is a contributing author to *American Architecture of the 1980s* (AIA Press, 1990).

Rafael Longoria is an architect and an assistant professor of architecture at the University of Houston. He serves on the board of directors of the Greater Houston Preservation Alliance.

ElysaBeth Yates-Burns McKee is assistant professor of architecture at Rice University.

Deborah Morris teaches architecture at the University of Houston and is an associate with the firm of William F. Stern & Associates.

Patrick Peters is assistant professor of architecture at the University of Houston and a partner in the firm of Longoria/Peters.

William F. Stern is principal in the firm of William F. Stern and Associates and an adjunct professor of architecture at the University of Houston.

Rives Taylor is a lecturer in architecture design at the University of Houston and an architect with the firm of Hoover & Furr.

Bruce C. Webb is professor of architecture at the University of Houston.
