Notes on Contributors

Joel Warren Barna, a writer living in Austin, was the managing editor of the first issue of *Cite*. He was editor of *Texas Architect* from 1985 to 1995.

William T. Cannady, FAIA, is a Houston architect and a professor at Rice University, where he directs the Center for Professional Studies of the School of Architecture.

Stephen Fox is a fellow of the Anchorage Foundation of Texas.

Gabriella Gutiérrez is an assistant professor of architecture at the University of Houston and principal in the firm of Morris Gutiérrez Architects, Houston.

Alex Hecht is a freelance writer based in Houston.

Richard Ingersoll is an associate professor of architecture at Rice University and editor of *Design Book Review*.

Jonathan King, Honorary AIA, is director of the CRSS Center, visiting professor of architecture at

Texas A&M University, and professor emeritus of architecture at the University of Michigan.

Curtis Lang is a freelance writer living in New York.

Jacqueline Leavitt is a professor of urban planning in UCLA's School of Public Policy and Social Research. She works with public housing residents in Los Angeles and writes on issues related to housing.

Ernesto Luis Maldonado, principal of Kiva Architects, Houston, is 1995 chair of the housing committee of the American Institute of Architects-Houston Chapter.

John Mixon is the Law Alumni Professor at the University of Houston Law Center and a former lecturer at the Rice University School of Architecture.

Barry Moore is an assistant professor of architecture at the University of Houston and principal in the Mathes Group.

Lauri Nelson is an art historian who researched Marcel Duchamp's speech "The Creative Act"

(delivered in 1957 at the American Federation of Art conference in Houston) for her master's thesis at Rice University in 1994.

William F. Stern is principal of William F. Stern & Associates, Architects, and adjunct associate professor of architecture at the University of Houston.

Kristin M. Szylvian is an associate professor of history and coordinator of the Public History Program at the University of North Carolina at Wilmington.

David Todd, an environmental lawyer in Austin, is active with the Sierra Club, the Texas Committee on Natural Resources, and Scenic Texas.

Frank Whitson, former chair of the housing committee of the American Institute of Architects-Houston Chapter, is a guest lecturer at the University of Houston. He works for Ray Bailey Architects and serves on the local advisory committee for New Foundations for Neighborhoods.

OverCite: The firm of record for Forbidden Gardens (see *Cite* 32, p. 8) is Robert Robinowitz, Architect, with Cisneros & Partners.

Copyright © 1995 by the Rice Design Alliance. Reproduction of all or part of editorial content without permission is strictly prohibited. The opinions expressed in *Cite* do not necessarily represent the views of the board of directors of the Rice Design Alliance. Publication of this issue of *Cite* is supported in part by grants from Houston Endowment Inc.,

the Susan Vaughan Foundation, the National Endowment for the Arts, and the Cultural Arts Council of Houston/Harris County.

Cite (ISSN: 8755-0415) is published two times per year by the Rice Design Alliance and is indexed in the Avery Index to Architectural Periodicals.

The Rice Design Alliance, established in 1973, is a nonprofit educational organization dedicated to the advancement of architecture and design.

 *Cite* is printed on recycled paper.
